

The 6 Strongest Fragrant Plants in Weld County

The strongest fragrant weeds in Weld County are Blue Mustard, Fetid Marigold, Hoary Cress, Pineapple Weed, Russian Olive and Stinkgrass. These specific plant odors are especially strong and pronounced and can be either pleasant or foul depending on the nose. Most plants give off an odor at some point during their growth, usually during flowering. The smell of a plant is one way it attracts pollinators or repels predators.
